Design: We are going with a nature theme. The public works crew is working on a plan to remove part of the main structure, swings and other free-standing pieces. Some money will need to be used for the removal of the equipment if not donated.

Equipment Selections: CeeCee Plucker talked with her grandkids about what they like and looked through the playground catalog her suggestions: Roller slide, seesaw, orb rocker. Ginger Deschane suggested an inclusive spinner, she also asked how we are going to make the main structure look a bit more natural/rustic, Kelly Robinson would work with the design to make the color pallet look natural/rustic. Sally Witt suggested Rock climbing type climbers and spinner chairs. Gene Hill suggested money bars

Priorities: From the \$70,000 the village set aside in the bond we will purchase the 2-5 structure, a log tunnel, rock wall and animal rockers.

Sally Witt asked about the fence at the park and how we could add a fence with a door for people to walk through and one that opens for snowmobiles. Amy Grandaw will get a quote.

Sally Witt suggested 100 Women (we will use the Crivitz Area Community Development Association as it is a 501©3.)

Events – Amy Grandaw suggested an old fashion carnival, Sally Witt suggested working with CBA who has six music in the park events next year, where we can serve food and drinks.
