SEC. 13-2-2 FINDING OF FACT AND PURPOSE.

Uncontrolled use of the shoreland-wetlands and the pollution of the navigable waters of the Village of Crivitz would adversely affect the public health, safety, convenience and general welfare and impair the tax base. The Legislature of Wisconsin has delegated responsibility to all municipalities to:

- (a) Promote the public health, safety, convenience and general welfare;
- (b) Maintain the storm and flood water storage capacity of wetlands;
- (c) Prevent and control water pollution by preserving wetlands which filter or store sediments, nutrients, heavy metals or organic compounds that would otherwise drain into navigable waters;
- (d) Protect fish, their spawning grounds, other aquatic life and wildlife by preserving wetlands and other aquatic habitat;
- (e) Prohibit certain uses detrimental to the shoreland-wetland area; and
- (f) Preserve shore cover and natural beauty by restricting the removal of natural shoreland cover and controlling shoreland-wetland excavation, filling and other earth moving activities.

SEC. 13-2-3 TITLE OF CHAPTER.

Shoreland-Wetland Zoning Ordinance/Chapter for the Village of Crivitz, Wisconsin.

SEC. 13-2-4 THROUGH SEC. 13-2-9 RESERVED FOR FUTURE USE.

ARTICLE B

General Provisions

SEC. 13-2-10 COMPLIANCE.

The use of wetlands and the alteration of wetlands within the shoreland area of the Village of Crivitz shall be in full compliance with the terms of this Chapter and other applicable local, state or federal regulations. (However, see Section 13-2-25 of this Chapter for the standards applicable to nonconforming uses.) All permitted development shall require the issuance of a zoning permit unless otherwise expressly excluded by a provision of this Chapter.

SEC. 13-2-11 MUNICIPALITIES AND STATE AGENCIES REGULATED.

Unless specifically exempted by law, all cities, villages, town and counties are required to comply with this Chapter and obtain all necessary permits. State agencies are required to comply if Section 13.48(13), Wis. Stats., applies. The construction, reconstruction, maintenance and repair of state highways and bridges by the Wisconsin Department of Transportation are exempt when Section 30.12(4)(a), Wis. Stats., applies.

SEC. 13-2-12 ABROGATION AND GREATER RESTRICTIONS.

- (a) This Chapter supersedes all the provisions of any municipal zoning ordinance enacted under Section 61.35, 62.23 or 87.30, Wis. Stats., which relates to floodplains and shoreland-wetlands, except that where another municipal zoning ordinance is more restrictive than the provisions contained in this Chapter, that ordinance shall continue in full force and effect to the extent of the greater restrictions, but not otherwise.
- (b) This Chapter is not intended to repeal, abrogate or impair any existing deed restrictions, covenants or easements. However, where this Chapter imposes greater restrictions, the provisions of this Chapter shall prevail.

SEC. 13-2-13 INTERPRETATION.

In their interpretation and application, the provisions of this Chapter shall be held to be minimum requirements and shall be liberally construed in favor of the municipality and shall not be deemed a limitation or repeal of any other powers granted by the Wisconsin Statutes. Where a provision of this Chapter is required by a standard in Chapter NR 117, Wis. Adm. Code, and where the Chapter provision is unclear, the provision shall be interpreted in light of the Chapter NR 117 standards in effect on the date of the adoption of this Chapter or in effect on the date of the most recent text amendment to this Chapter.

SEC. 13-2-14 SEVERABILITY.

Should any portion of this Chapter be declared invalid or unconstitutional for any reason by a court of competent jurisdiction, the remainder of this Chapter shall not be affected.

SEC. 13-2-15 ANNEXED AREAS.

The Marinette County shoreland zoning provisions in effect on the date of annexation remain in effect administered by the municipality for all areas annexed by the municipality after May 7, 1982. These annexed lands are described on the municipality's official zoning map. The Marinette County shoreland zoning provisions are incorporated by reference for the purpose of administering this Chapter and are on file in the office of the municipal zoning administrator.

Shoreland-Wetland Zoning District

SEC. 13-2-20 PURPOSE OF SHORELAND-WETLAND ZONING.

This Chapter is adopted to maintain safe and healthful conditions, to prevent and control water pollution, to protect fish spawning grounds, fish and aquatic life and wildlife habitation, to preserve shore cover and natural beauty and to control building and development in wetlands whenever possible. When development is permitted in a wetland, the development should occur in a manner which minimizes adverse impacts upon the wetland.

SEC. 13-2-21 OFFICIAL SHORELAND-WETLAND ZONING MAPS.

The following maps are hereby adopted and made a part of this Chapter and are on file in the office of the Village Clerk:

- (a) Wisconsin Wetland Inventory map stamped "Final" on November 20, 1991.
- (b) Floodplain zoning map titled Flood Hazard Boundary Map and dated March 17, 1978.
- (c) United States Geological Survey maps containing various dates.
- (d) Zoning map titled Crivitz Zoning Map and dated February 15, 1986.

SEC. 13-2-22 DISTRICT BOUNDARIES.

- (a) **Boundaries.** The shoreland-wetland zoning district includes all wetlands in the Village of Crivitz, Wisconsin, which are five (5) acres or more and are shown on the final Wetland Inventory Map that has been adopted and made a part of this Chapter in Section 13-2-21 and which are:
 - (1) Within one thousand (1,000) feet of the ordinary high-water mark of navigable lakes, ponds or flowages. Lakes, ponds or flowages in the Village of Crivitz shall be presumed to be navigable if they are shown on the United States Geological Survey quadrangle maps or other zoning base maps which have been incorporated by reference and made a part of this Chapter in Section 13-2-21 of this Chapter.
 - (2) Within three hundred (300) feet of the ordinary high-water mark of navigable rivers or streams, or to the landward side of the floodplain, whichever distance is greater. Rivers and streams shall be presumed to be navigable if they are designated as either continuous or intermittent waterways on the United States Geological Survey quadrangle maps or other zoning base maps which have been incorporated by reference and made a part of this Chapter in Section 13-2-21. Floodplain Zoning Maps shall be used to determine the extent of floodplain areas in the Village.
- (b) **Determinations of Navigability.** Determinations of navigability and ordinary high-water mark shall initially be made by the Zoning Administrator. When questions arise, the Zoning Administrator shall contact the appropriate district office of the Department for the final determination of navigability or ordinary high-water mark.
- (c) **Discrepancies.** When an apparent discrepancy exists between the shoreland-wetland district boundary shown on the official shoreland-wetland zoning maps and the actual field conditions at the time the maps were adopted, the Zoning

Administrator shall contact the appropriate district office of the Department to determine if the shoreland-wetland district boundary as mapped is in error. If the Department staff concurs with the Zoning Administrator that a particular area was incorrectly mapped as a wetland, the Zoning Administrator shall have the authority to immediately grant or deny a land use or building permit in accordance with the regulations applicable to the correct zoning district. In order to correct wetland mapping errors shown on the official shoreland-wetland zoning maps, or acknowledge exempted wetlands designated in Subsection (d) below, the Zoning Administrator shall be responsible for initiating a shoreland-wetland map amendment within a reasonable period.

- (d) **Filled Wetlands.** Wetlands which are filled prior to November 21, 1991, the date on which the municipality received final wetland inventory maps, in a manner which affects their wetland characteristics to the extent that the area can no longer be defined as wetland, are not subject to this Chapter.
- (e) **Wetlands Landward of a Bulkhead Line.** Wetlands located between the original ordinary high water mark and a bulkhead line established prior to May 7, 1982 under Sec. 30.11, Wis. Stats., are not subject to this Chapter.
